

Legacy is about someone caring enough about you to help you grow. When they spend time with you, teach you, love you, pray for you, and help you they are sharing something with you that can make a big difference in your life. This could be parents, grandparents, other family members, teachers, or adults that care about you and spend time with you. We thank God for those people and want to thank them!

Write a letter to say thank you to someone who has left a legacy for you.
